<p>Walk:</p> <p>Date:</p>	<p>Gandia La Safor Marjals/Wetlands</p> <p>Tue 23th April 2024</p>	<p>Group Leader</p>	<p>Terry Stuart Cosmichobo.xxx@gmail.com Mobile: 631 656525</p>
<p>Start Time & Duration</p>	<p>We meet 10.00 at Camping L'Alqueria (Av. Del Grau 142, Gandia) for coffee and start the amble at 10.30 am. We return for lunch at about 2pm. Unfortunately the menu is on a Qr code which did not seem to work when I tried it. However, the menu is also on trip adviser, under the name of restaurant El Raconet De Ricardo. where you can make your menu choice before the amble and advise the staff at coffee time of your selection. We have eaten there before and all had only good comments.</p>		
<p>Route & Description</p>	<p>Length approx. 7kms. 2hrs including time for taking pics. The route is flat & easy on tracks & paths. There are no hills to climb.</p> <p>After coffee we will travel in convoy to the Wetlands area. There is a lot to see on this new Amblers route including Fauna, wild birds and beautiful scenery.</p> <p>Next to this centre is the School for Tourism Professionals which includes a training centre for Professional chefs & waiters. You don't want to miss this Amble.</p>		
			
<p>How to get there</p>	<p>Go pass Carrefour in an northerly direction and turn right at the next roundabout. That should place you on Av. Del Grau, Gandia. At the next roundabout go straight over but take the slip road immediately after and running parallel with Av. Del Grau. Camping L'Alqueria is 200m on your left. A big grey building.</p>		
<p>Things you will need</p>	<p>The route is entirely flat & mostly surfaced roads & paths. Walking shoes. Sticks are not required. Could be sunny & warm so Sun hats & water bottles are advised. Please email me if you want to car share, I will try & put drivers & passengers together.</p>
