

Angela Town – Current President

Here I am, enjoying life in Oliva and I have met so many lovely people who I am happy to include as my friends. The U3A Oliva was a lifeline for me when I found myself floundering a little upon arrival here in 2017.

I believe strongly in what the U3A stands for and I embrace the ethos of a fully engaged membership. I want to make sure that all our members and prospective members are aware of what we can offer in social networking, continuing education, keeping fit and generally enjoying life here in the sun.

I'm happy to put time and effort into making that happen, and my first year as president certainly confirmed that. I'm looking forward to continue with my efforts with a fantastic and supportive committee.
