

Belinda Allan – Current Secretary

I became a member of the U3A Oliva after the 2016 Brexit vote so that I could attend a talk on the said subject! I didn't become an active member until some years later, when I joined one of the Spanish language groups. I also now attend the Mind and Body group.

I joined the U3A committee after the AGM in 2023, when there was a request for committee members to support the continuation of the organisation. In August 2023, I became the secretary, and I've been doing the role since then. I think it is fair to say that it has been an interesting and challenging year, and for me, it has certainly been a steep learning curve! I am, however, still here and willing to support the organisation during the 2024–2025 calendar year.

I am looking forward to consolidating my secretarial skills this year and supporting the new committee and the U3A members.
