

## **Julie Hayward – Nominee for Vice President**

I took early retirement in 2015 and moved permanently to Spain in 2016, I have been a member of the U3A since then and have been a Committee Member as the Group Coordinator for the past 6 months, which has given me an insight into where my skill set can best be used.

As some of you already know, I am also the President of the Gandia Area Social Club, and I feel that this, along with my current experience with the U3A, allows me to stand for Vice President, where I would be supporting the President as well as other Committee Members and the U3A Membership as a whole in moving forward into a relaxed and happy U3A, enabling us all to enjoy our well-earned retirement to the fullest.
