

Sandra Dunderdale – Committee Nominee as Almoner

I was born in a small market town in Lincolnshire, UK. I became a registered nurse in 1971 before emigrating to New Zealand. For the next 20 years, I worked with the elderly and mentally ill until my retirement and my move to Spain.

I joined the U3A committee last year, hoping to meet people and find out what the U3A was all about.

I became the Press and Publicity officer and a member of the travel group, which I found challenging but enjoyable.

I have now been nominated as Almoner, and I am really looking forward to taking on this role in the 2024–2025 U3A year.
